

Vote Yes for Greeley

2-I is not a new tax and will not increase your taxes.

- ◆ The Greeley Food Tax originally approved by voters in 1990 with a 5-year sunset has been reapproved and extended six times. Voters approved extension of the tax again in 2015 and it will expire in 2021, unless renewed.
- ◆ This tax is the primary funding for parks, recreation, and public building maintenance and a contributing funding source for maintenance of Greeley streets.
- ◆ The Citizens Budget Advisory Committee reviewed the prior and proposed use of these funds and recommended placement of a ballot item to renew the food tax, as currently assessed, on the 2020 ballot by City Council.
- ◆ The City has used these tax revenues responsibly and as approved by the voters.

If renewed, revenues from 2-I will be used to improve city infrastructure, critical to position Greeley in attracting and retaining good, quality employers.

- ◆ Repairing potholes and improving traffic signals to increase safety.
- ◆ Repairing sidewalks to improve pedestrian safety.
- ◆ Restoring and improving public parks and making repairs at parks and recreational facilities to enhance their use by community residents.
- ◆ Making improvements to public buildings for efficient operation.
- ◆ Improving accessibility to public facilities and walkways for people with disabilities.

Spending quality time with family and friends requires efficient travel and well-maintained recreational areas and gathering places in our community.

- ◆ Safely signaled and well-maintained roads are a key factor in helping us move about the city effectively and enjoy time with family and friends.
- ◆ Our parks, trails and recreational facilities provide places for relaxation and recreation with our families. Having opportunities for these activities close to home is an important factor in choosing where to live and work.

Protect our taxpayer investment and Vote Yes for Greeley.

- ◆ A YES vote for 2-I will provide an estimated \$45 million over the life of the tax to fund repair and maintenance of our streets, maintenance and improvements to our public parks and recreation facilities, and public buildings.
- ◆ The Greeley area is one of the fastest growing communities in the country, and with the added traffic and use of parks and recreation facilities, the City needs resources now more than ever to maintain this crucial infrastructure.
